DETAILED ACTION

This Office Action is in response to the after final amendment filed 20 December 2004.

Allowable Subject Matter

Claims 1-13 and 15 are allowed.

The following is an examiner's statement of reasons for allowance: Claims 1-13 and 15 are allowable because prior art does not show alone or in combination a first source/drain region having a diode structure employed for controlling the potential of the floating gate electrode wherein the first source/drain region includes a second conductivity type first impurity region formed on a first layer consisting of a first conductivity type semiconductor and a first conductivity type second impurity region formed inside the first impurity region.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
